**Act 1 Scene 1: A Brief Encounter**

**VIDEO 01: Outside Llandoger Trow Pub**

- a) modern footage of passing The Old Duke  
(*sounds of jazz*)
- b) approaching Llandoger Trow . **N.B. it's all very shaky/amateur. In Tik-Tok format?**  
ROBINSON has can of Red Bull/Similar in hand.  
Looking worse for wear, standing/seated among AUDIENCE? Props table on stage?

**DANIEL**

(Offstage, speaking over Video footage)

Hi Guys, I'm Dan, Daniel Defoe reporting for DDC Local Radio, broadcasting on FM and DAB. Very excited to be outside the Llandoger Trow pub in Bristol. Rumours are rife that there's a celebrity inside. Ssssh, 'in-cog-ni-to', keeping a low profile, staying out of the limelight ... but I'm gonna try and get me an interview. There's a whiff of danger in the air ...

(Sniffs loudly)

only slightly masked by the ale which is freely flowing from tankard onto straw-covered floor.

(Smartens clothes, checks mobile phone etc, deep breath)

Here we go.

(Enters)

**ROBINSON**

(Lets out a noisy burp)

Better out than in!

**DANIEL**

Aha, thought it was you, Mr Crusoe, may I call you Robbie?

(offers his hand to shake)

**ROBINSON**

No. Who are you?

**DANIEL**

Oh, my name's ...

**ROBINSON**

Go away! Not interested.

**DANIEL**

Now, now, Mr Crusoe, no need to ...

**ROBINSON**

Look, you, whoever you are ...

**DANIEL**

(Grinning at AUDIENCE)

This is Daniel Defoe, reporting for DDC Local Radio ...

**ROBINSON**

Well, Daniel, you can simply, 'Back off Boogaloo!'

(Suddenly alarmed)

Don't report that! I need to keep tight control over my 'Socials', and don't need the likes of you taking undermining my image.

(Softening a little)

Look ... I'm used to MySpace. I get bothered by inane questions and get mental health issues with all the Twitter going on. It's like having a continual 'Tik-Tok' inside my head. I've said all I need to say on Facebook, and ...

(sarcastically)

as for local radio ... pah!

**DANIEL**

Yes, yes, I understand, but all those 'Socials' are about you presenting yourself and your wonderful life. I think you've had it tough. I think there's much more to you than gloss and glamour

**ROBINSON**

(No response for a few seconds)

What's your name?

**DANIEL**

Dan, Daniel Defoe.

**ROBINSON**

Well, Dan Daniel Defoe, how long have we got?

**DANIEL**

(buzzing from mobile)

Sorry, let me just take this.

(conversation with Producer on mobile)

Yes, Ms Producer, all going fine, ... yes, yes, very agreeable ... putty in my hands ...

**ROBINSON**

Put that away, you want my story?

**DANIEL**

(into mobile)

Gotta go!

(To ROBINSON)

You have my full attention. How long have we got? About ninety minutes.

**ROBINSON**

Mine's a long story. We'd better get started.

(Disposes of Red Bull/similar can. Lighting change. **AUDIO 01: Theme from Dr Who**)

It all happened a long time ago.

(ROBINSON/DANIEL twirls as if in space, journeying back in time)

## Act 1 Scene 2: Yearning For The Sea

### **ROBINSON**

(Puts 'Kiss Me Quick' sailor hat, carrying plastic toy telescope)

That's me. Hi.

(Looking through telescope at AUDIENCE – make rude personal remarks.

Settles on DANIEL, makes even ruder personal remarks. To DANIEL, sniffs  
Pooh, is it tobacco? Eua de Cologne? Botty-burp?

### **DANIEL**

Though you never even saw the sea till you were quite a big boy ...

### **ROBINSON**

(Rude suggestive gesture)

Who's a big boy then?

### **DANIEL**

... you'd always wanted to be a sailor?

(ROBINSON makes effeminate poses, blows a kiss. To ROBINSON)

Unnecessary, Robinson!

### **ROBINSON**

I want to go away in a ship and visit strange, foreign, far-off lands.

(DANIEL takes call on mobile and excuses self. Exits.)

So rude!

**(AUDIO 02: Sleepy Lagoon** – theme from Desert Island Discs, then **VIDEO 02: 18<sup>th</sup> Century Fully-Rigged Sailing Ship** on calm waters then **AUDIO 03: My Heart Will Go On** (Theme from film Titanic). ROBINSON takes stance of Leo/Kate on bow rails)

I yearn for the sea.

**(AUDIO 04: Barnacle Bill (Blue Peter Theme)** Dances hornpipe, invite Audience member(s) to join in? Becomes very dizzy. DAD enters wearing dresscoat and lawyers wig. To AUDIENCE)

Uh-oh, here's trouble! Hiya Dad!

(Attempts a 'high-five', no response)

### **DAD**

Enough talk of sailing the seven seas in search of soothing sands. I want you to become a lawyer, my Son.

**ROBINSON**

Boring! Stuffy! Huffy!

**DAD**

Terrible, terrible things might happen to you if you go away. People who stop at home are always the happiest. Your brother left home and got himself killed in the wars.

**DAD/ROBINSON**

(Pulling hanky from pockets)

Ad-lib: Boo Hoo, so sad.

(Engage in 'loudest nose-blowing competition')

**DAD**

Act your age, Robinson! Nothing more honourable than becoming a lawyer!

(Exits, change wigs to become MUM)

**ROBINSON**

Me, act my age?

(To SELF)

OK, I'll not go to sea, if that's what Dad wants.

**MUM**

(Enters wearing MUM-Wig, with container of Talc with label '*Shake And Vac*'.

Shakes over ROBINSON. Extract from **AUDIO 05: Shake and Vac. Sings**)

*Do the shake and vac and put the freshness back*

*When the room smells fresh so do you ...*

(Exits to fetch 'Dyson')

**ROBINSON**

(Complaining, dusting talc away)

Mum! Mum!! That's getting in all my creases!

**MUM**

(Enters carrying portable 'Dustbuster/similar'. Hoovers around ROBINSON's

sensitive bits. **AUDIO 06: Noisy Hoover**. Extract from **AUDIO 05: Shake and**

**Vac. Sings**)

*Next time you vacuum you know just what to do*

*Do the shake and vac and put the freshness back ...*

**ROBINSON**

Mum. Please stop.

(Switches off dustbuster. Becomes very child-like, blinking eyelids, cuddles MUM, suck-a-thumb)

Mummy ... your little diddums wants to go away in a ship to visit strange, foreign, far-off lands.

**MUM**

You'll get seasick.

**ROBINSON**

No, I won't.

**MUM**

You'll get scurvy.

**ROBINSON**

No, I won't!

**MUM**

You'll get an STD!

**ROBINSON**

Mummy! Ask Daddy to let me go to sea?

**MUM**

Whaaat?

(Many varied, repeated 'No' – fast/slow, high/low, gentle/sharp etc)

No, no, no ....

**ROBINSON**

So, that's a 'no'?

**MUM**

No, I mean, yes that's a 'no'!

(Exits repeating 'no' to SELF)

**ROBINSON**

(To AUDIENCE)

Was that a 'no'?

(long silence, bored stand. Look at watch several times interspersed with singing/whistling 'Seaside Tunes/Shanties' e.g. Oh I do like to be beside the seaside; Spanish Ladies; engage with AUDIENCE for 'time passing' e.g. what time have you got? )

**Act 1 Scene 3: Robinson Goes To Sea**

**AUDIO 01: Theme from Dr Who**

**ROBINSON**

One year on, I'm 19 and ...

(Rude, suggestive pose)

I'm an even bigger boy!

**HULL**

(AUDIO 07: Seagull Cries Enters wearing Hull City football kit – alternate orange/black wide stripes. Has hidden small unsuitable plastic boat e.g. a 'rib' or RNLI boat)

Robbie!

**ROBINSON**

Hi, Hull! How goes it?

(THEY high-five)

**HULL**

(Pointing to SELF)

'It's' going to sea!

**ROBINSON**

It's going to 'see', what?

**HULL**

I'm off to London ...

(Reveals plastic boat)

.. in this! Handsome isn't she?

(Hands boat to ROBINSON)

**ROBINSON**

Wow! Room for another?

**HULL**

(Picks up Ship's-Wheel, takes strong stance steering boat)

I'd be pleased to have you as a mate!

**ROBINSON**

(Alarmed, rocking and rolling in sync with each other)

What are you suggesting?

**HULL**

Raise the anchor, off we go!

**ROBINSON**

What are you suggesting?

(rocking and rolling in sync with each other. **AUDIO 08: Gale Force Winds**  
increasing in strength/volume. **AUDIO 09: Botty Burp**)

Bit of a breeze getting up.

**ROBINSON**

More of a hurricane!

**HULL**

Bit of a swell.

**ROBINSON**

(Looks down at own groin area)

Nah! Nothing happening down there. Much too scared for that!

**HULL**

This? This is nothing. Stick with it, you'll soon find your sea-legs, Robbie! Up the Tigers!

(Gestures to shirt. N.B. 'Tigers' is nickname for Hull City)

**ROBINSON**

What's a ti-ger?

**HULL**

(describing with gestures)

It's a stripey orangey-black thing with teeth and claws.

**ROBINSON**

Scary!

(Holding stomach, retching)

I'm very scared, and feeling very sea-sick! Very, very sea – siiiiick.

(Throws up noisily. Several times. Broken speech, shouting over the wind)

If ever I get back on shore, I'm going back home.

**HULL**

Don't be such a wuss!

**ROBINSON**

I'm going back home, and will go to sea again.

(**AUDIO 08 Gale Force Winds** fade almost instantly. Ship movement ceases.

ROBINSON hands boat back to HULL, steps on shore)

**HULL**

(To AUDIENCE)

So that's what he did!

(To ROBINSON)

Bye, Robbie.

(Returns ships-wheel to props table. Exits singing 'A Life On The Ocean Wave')

*A life on the ocean wave*

*A home on the rolling deep*

*Where the scatter'd waters rave*

*And the winds reveal their keep*

**Act 1 Scene 4: Robinson's Next Voyage**

**ROBINSON**

(Stepping onto dry land. Pulls a few coins from pocket)

Won't last long with Bristol prices.

(To AUDIENCE)

But I can't go home now, can I? Everyone'll laugh at me!

(CAPTAIN enters wearing Sailor's hat with 'Captain' printed on it, dragging heavy treasure chest. CAPTAIN has broken/black teeth. ROBINSON moves to help CAPTAIN)

Hello, Captain, need a hand?

**CAPTAIN**

(local accent e.g. West Country)

No thanks, 'Kiss-Me-Quick', two's enough for me!

(laughs at own joke. Smiles at AUDIENCE)

Where you headed?

**ROBINSON**

(sings)

'Homeward Bound, I wish I waaaas, Homeward Bound'.

(from Simon & Garfunkel)

**CAPTAIN**

Where's home? Somewhere exciting, full of adventure, full of opportunity ...

**ROBINSON**

York.

**CAPTAIN**

Never heard of it.

**ROBINSON**

Home for you is?

**CAPTAIN**

Anywhere on the ocean is home to me!

(opens treasure chest, lifts out bag of Christmas gold coins. Smiles at AUDIENCE)

Just back from the Guinea Coast.

**(N.B. Guinea Coast is now known as Africa.** Takes coin, pretend bites it)

Ouch! Another broken tooth! Solid gold. Lovely gold doubloons!

(Hands one to ROBINSON)

Try one!

**ROBINSON**

(Peels off wrapper, bites it sensually like the Cadbury's Flake advert)

Hmmm! Tasty, chocolate.

(Goes into swoon, sings)

*Only the crumbliest, flakiest chocolate ....*

**CAPTAIN**

(Looking round furtively)

No, they're gold doubloons! Really they are! I've thousands of them in my treasure chest. Enough to buy victuals and goods to trade for another voyage. Why not join me, Kiss-Me-Quick!

**ROBINSON**

Yes to voyaging with you, but no to a quick kiss.

(CAPTAIN/ROBINSON exit pulling treasure chest. **VIDEO 03: Sped-Up 18th Century Ship. AUDIO 02: By The Sleepy Lagoon.** CAPTAIN/ROBINSON enter dragging treasure chest each! Sit down on treasure chests, exhausted)

**ROBINSON**

It's hard work making easy money!

(Pulls out toy telescope, scans AUDIENCE)

Rich. Poor. Middling. Very poor. Very rich!

**CAPTAIN**

(Takes telescope)

Let me look!

(beat)

Uh-oh.

**ROBINSON**

What?

**CAPTAIN**

(Standing up, hands telescope back to ROBINSON)

Pirates!

(Exits, dragging own treasure chest)

**ROBINSON**

(Standing up, looking through Telescope)

Oh, flip! It really be pirates!

(Sits down nonchalantly on treasure chest examining nails, picking nose, flicking it away whilst Pirate battle commences on-video **VIDEO 04: Errol Flynn 'The Pirate'**)

**PIRATE**

(enters noisily on crutch, changes eye-patch to different eye/forehead after each phrase. Wears flower in hair. Wields miniature cutlass)

I be a Pirate Captain. I be Captain Flint! Arr!

**ROBINSON**

(Conspiratorially with PIRATE)

No, no, [Actor-name] that's Treasure Island. Next year's show.

**PIRATE**

Oops, sorry.

(Throws crutch offstage. **AUDIO 10: Breaking Glass/Ouch that hurt!** Clears throat)

I be a Pirate Captain. I not be Captain Flint.

(pointing to ROBINSON)

You be my slave!

(pointing to treasure chest)

What you got there?

(**AUDIO 11: Fifteen Men On A Dead Man's Chest.** Opens chest, lifts out bottle of rum)

Just a bottle of rum!

**PIRATE**

Yuk, can't stand the stuff!

**ROBINSON**

But you're a fearsome, cutlass-wielding pirate with an interchangeable eye-patch!

**PIRATE**

Stereotyping again!

(Suddenly cool/sophisticated/James Bond/Scots accent)

Moneypenny.

(Suggestive pose)

Mines a martini, shaken, not stirred.

**ROBINSON**

What the ...?

**PIRATE**

You're coming with me!

**ROBINSON**

Where to?

**PIRATE**

(Threatening with miniature cutlass)

To work my plantation. To dig my garden. To look after my ship when she's in port!

**ROBINSON**

(Pointing to treasure chest)

What about this?

**PIRATE**

(Over-the-top piratey voice)

It be mine as well. All that is yours is now mine! Ha! Ha! Ha!

(BOTH exit. ROBINSON drags treasure chest offstage. PIRATE pokes ROBINSON with miniature cutlass. **AUDIO 12: The Devil's Galop** - theme from Dick Barton)

**Act 1 Scene 5: Robinson As A Slave**

**ROBINSON**

(enters, stripped to waist, wearing knotted hanky on head. **AUDIO 13: BBC Gardener's World Theme.** Carries gardening book authored by Monty Don. To AUDIENCE. Turning pages of book)

A chapter a month ... Chapter 22 Climate Change, Chapter 23 No to pesticides, Chapter 24 Re-wilding For Fun.

(Closes book. Throws it offstage. **AUDIO 10: Breaking Glass/Ouch that hurt!**)

Two years of my life, wasted. 'The Shawshank Redemption' would have been time better spent.

**XURY**

(Enters carrying two sets of fishing gear)

High-five Robbie!

**ROBINSON**

High five, Xury! Going fishing?

**XURY**

No, paddle-boarding.

(Beat)

Whad'ya think? Mr Pirate says he wants to go on a fishing trip.

**ROBINSON**

With you and me? We're slaves. We're not meant to be having fun.

**XURY**

You and me are to load food, water, some guns, powder and shot and this fishing gear onto Mr Pirate's boat to catch fish for supper.

**ROBINSON**

Okay. Wait here.

(Exits, re-enters pulling empty Treasure chest on casters with Crutch for mast)

All trimmed and ready to sail!

**XURY**

Food?

(ROBINSON exit/re-enters with OCADO /TESCO delivery van. Shows AUDIENCE, puts into ship)
